On every Wednesday afternoon is an exercise in Declamation, in which all the Classes take part. Seniors deliver original essays.

These recitations are accompanied by familiar Lectures from the Instructors.

EXAMINATIONS.

3. Of the three lower Classes, on the week preceding Commencement.

PUBLIC PERFORMANCES.

1. Exhibitions,—in the second and third Terms.
2. Declamations,—on the evening preceding Commencement.
3. Commencement,—on the fourth Wednesday of August.

VACATIONS.

1. Six weeks from the fourth Wednesday of August.
2. Two weeks from the second Wednesday of January.
3. Four weeks from the first Wednesday of May.

ADMISSION.

Candidates for admission to College are examined on Tuesday, the day preceding Commencement; or on Wednesday, the first day of the following Term.

Testimonials.—The candidate for admission to College, previous to his examination, must produce satisfactory evidence that he sustains a fair moral character, and that he has completed the part of the course preparatory to the standing for which he is offered. If he has been a member of another College, a certificate of regular dismission will also be required.

Age.—No one is admissible to the Freshman class, until he has completed his fourteenth year; nor to an advanced standing, without a corresponding increase of age.

Payments.—The amount of the first Term Bill must be paid by each student on his admission; each subsequent Term Bill becomes due at the close of the term for which it is assessed. If the Student enters in advance, four dollars and fifty cents per Term,—which is one half of the regular charge for Tuition—will be required, unless such standing shall have been obtained in another College. A bond in the sum of two hundred dollars for the payment of College Bills, must be given within one Term after admission, unless the student prefers to pay his Term Bills in advance. The *Tuition* of beneficiaries of Charitable Associations, and of other indigent pious youth preparing for the Christian Ministry, is wholly paid from the fund appropriated to that purpose. About thirty five indigent students are gratuitously supplied with furniture.

Laws.—Each student on admission receives a copy of the *Laws of College*, and is constituted a member of College by signing a promise to conform to the *Laws*, and the regulations of the Institution.

EX PENSES.

These will vary with the circumstances and habits of the student. The following are the principal necessary expenses, exclusive of vacations,

Tuition,	\$9,00 per term	\$27,00	\$27,00
Other College Charges, \$5,00	do.	15,00	15,00
Board, from \$1,00 to \$1,50 per week,		41,00	to 62,00
Fuel and Light, from \$8,00 to \$10,00 per year,		8,00	— 10,00
Washing from 12 to 20 cts. per week,		5,00	— 8,00
Amount per year,		\$96,00 to 122,00.	

The expense for books is comparatively trifling, if the student, as he may generally do, purchases at second hand, and sells when he has completed the study of them. In other incidental expenses, if the parent or guardian furnishes money, or authorizes the contracting of debts, a student may be very extravagant. To guard against this, parents often deposit funds with some one approved by the Faculty, who, for a small per-cent-age, will give particular attention to the pecuniary affairs of the student, and render an account of expenditures.

It is earnestly recommended to all parents and guardians not to authorize the obtaining of credit, and not to pay debts unauthorized.
